- **Organizationalchart**

- **Grievance Redressal mechanism for Faculty, staff and students**

Class committee meetings are conducted once in a month. The faculty advisor / senior tutors arrange such meetings. An open discussion will be made and the students air out their difficulties and grievances. This is being brought to the notice of the college advisory board and redressed after discussion.

Periodical staff meetings are being conducted at the department level to enable faculty members give suggestions for improving the academic programmes. The respective HODS will present the various points in the college advisory board meetings. The academic issues will be sorted out and the administrative problems will be transferred to the management for solution.

Certificate
(Innovation Cell/Club)

The innovation cell aims to help students to coordinate and synergize various strands of excellence, innovation and entrepreneurship and turn their ideas into action. The main aim of this Cell is to create intuition in terms of creative design ideas in various fields of engineering in an aesthetic approach. Innovation Cell will assist students and also encourage young talented minds by providing them a perfect platform for showcasing their talents, working together as teams. It will also serve to provide the students a platform to excel in their specialized area of interest.
